

**REMARKS**

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. The claims have been amended to address the concerns raised by the Examiner.

Claims 1-31 were originally presented. Claims 1-19 remain in the application. Claims 20-31 have been canceled without prejudice. Claim 32 has been added.

Dependent claim 20 was unintentionally canceled in a previous response. Claim 32 has been added to correct the unintentional cancellation. Claim 32 is identical to claim 20. Therefore, no new matter has been added.

**CONCLUSION**

In light of the above, Applicant respectfully submits that pending claims 1-19 and 32 are now in condition for allowance. Therefore, Applicant requests that the rejections and objections be withdrawn, and that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Amendment, the Examiner is strongly encouraged to call Vaughn W. North at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 08-2025.

DATED this 8<sup>th</sup> day of February, 2006.

Respectfully submitted,

Vaughn W. North
